## **YEAR-END CHAMPIONSHIP**

### **NOMINATIONS**

Members of HJAM, their horses and ponies, are AUTOMATICALLY nominated for any and all divisions upon receipt of membership dues. Riders must be members in order to receive points in EQUITATION divisions. The owner(s) of any horse or pony must be a member in order for the horse or pony to receive points in any Hunter or Jumper divisions. Points accumulated before dues are paid DO NOT count. Points must be accumulated at HJAM approved horse shows. Points are recorded when received from Show Secretaries and will be posted on the web site as soon as possible so you can check them. Website: HJAM.net

### **HUNTER DIVISIONS:** (US Equestrian Art. 918)

In the Hunter division, points are calculated according to the Increment system. In “C” and “B” rated sections, points are determined by the number of horses shown in the section. In “A” rated sections, points are determined by both the rate of the competition (based on scheduling restrictions of Hunter Rule, Art. 2446), as well as the number of horses shown. Division Champions will be awarded 2.0 times the total 1<sup>st</sup> place point value of the first class in that section. Division Reserve Champions will be awarded 1.2 times the total 1<sup>st</sup> place value of the first class in that section.

### **CLASSICS:**

Bonus points awarded to the twelfth place. The following classics DO NOT COUNT: North American League (NAL), Marshall & Sterling, State Line, Ariat, and WIHS.

### **EQUITATION DIVISION:**

The Increment system will be used to calculate Equitation points. The equitation division will receive the same rating as the Hunter rating of that show.

**Overall Equitation Year-End Championship:** The following classes listed COUNT for the year-end award: Age-group equitation and HJAM OPEN JUNIOR MEDAL

### **LIMIT EQUITATION RULES:**

**LIMIT EQUITATION ON THE FLAT** - Riders become ineligible when they win 6 blue ribbons in any equitation on the flat OR over fences OR any combination of these classes at any US Equestrian Local or Regular Member shows.

**LIMIT EQUITATION OVER FENCES** - Riders become ineligible when they win 6 blue ribbons in equitation over fences at any US Equestrian Local or Regular Member shows.

Ribbons won in classes with LESS THAN 8 ENTRIES do not affect the rider's status. (Art. 2201.5.3). If a rider becomes ineligible for either limit equitation on the flat or over fences, that rider must notify HJAM, IN WRITING, that they are no longer eligible for the classes. Their “open age group” points are then applied to the limit championship standing for the rest of the year, in addition to counting for their age group equitation standings. Failure to notify HJAM will result in losing these limit points for year-end awards.

**JUMPER DIVISION:** (US Equestrian Art. 920)

**CHILDREN'S ADULT/JUMPER** - In the Children's and Adult Jumper Divisions, points are based on the number of exhibitors in the class. There are no points given for Division Championships. Points for classes will be based on the number of exhibitors in the class. The following classes DO NOT count: North American League (NAL), Marshall & Sterling, and WIHS.

**JUNIOR/AMATEUR JUMPER** - Junior and Amateur Owner Jumper Championships will be based on one point for every dollar won in their classification.

### **ARTICLE XIV**

#### **INDEMNIFICATION OF OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS**

Section 1. Indemnification of Directors and Officers: Claims by Third Parties.

The Association may, in the complete discretion of the Board of Directors, indemnify in full or in part any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Association) by reason of the fact the he or she is or was a Director, Officer, employee or agent of the Association or is or was serving at the request of the Association as a trustee, Director, Officer, employee, or agent of another Association, business Association, partnership, joint venture, trust or other enterprise, against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the interests of the Association and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interest of the Association and, with respect to any criminal action or proceeding, had reasonable cause to believe that the conduct was unlawful.

Section 2. Action by or in Right of the Association.

The Association may, in the complete discretion of the Board of Directors, indemnify in full or in part any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that he or she is or was a Director, Officer, employee or agent of the Association or is or was serving at the request of the Association as a trustee, director, officer, employee, or agent of another Association, business Association, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection with the defense or settlement of such action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Association.

Section 3. Expenses.

To the extent that a Director, Officer, employee or agent of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Sections 1 and 2 of this Article or in defense of any claim, issue or matter therein, the Association may, in the complete discretion of the Board of Directors, indemnify such person against expenses (including attorneys' fees) actually

and reasonably incurred by him or her in connection therewith.

Section 4. Determination of Indemnification.

As a condition precedent to any indemnification under Sections 1 and 2 of this Article, the Board of Directors shall just make a determination that indemnification of the Director, Officer, employee or agent is proper in the circumstances because he or she has met the applicable standard of conduct set forth in Sections 1 and 2. Such determination shall be made (i) by the Board of Directors by a majority vote of a

quorum consisting of Directors who were not parties to such action, suit or proceeding, or (ii) if such quorum is not obtainable, or even if obtainable, a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion. If a determination is made that the person seeking indemnification has met the applicable standard of conduct described in Sections 1 and 2, then the Board of Directors shall decide the amount the Association shall pay for indemnification. If the Association's Board of Directors determines that a person seeking indemnification shall be indemnified under Section 1 or 2 for a portion of his or her expenses, including attorneys' fees, judgments, penalties, fines, and amounts paid in settlement, but not for the total amount thereof, the Association shall indemnify such person for the portion of the expenses, judgments, penalties, fines, or amounts paid in settlement for which the Board of Directors has determined the person is entitled to be indemnified and the Association shall not be liable for any additional amounts.

Section 5. Repayment of Expenses.

Expenses incurred in defending a civil or criminal action, suit or proceeding described in Sections 1 and 2 of this Article may, in the complete discretion of the Board of Directors, be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Directors in the specific case upon receipt of an undertaking by or on behalf of the Director, Officer, employee or agent to repay such amount unless it shall ultimately be determined that he or she is entitled to be indemnified by the Association.
